Pharmacy

Citronella-infused  
lotion

## LEMON SCENTED

### APPLICATION

To be used for a comfortable summer experience.  
Apply on exposed areas.

- Fragrant essential oils
- Ideal for spray-sensitive horses
- Shields against summer irritants

Eclipse Biofarmab Summer Lotion is a summer-friendly lotion imbued with the fresh aroma of citronella, crafted to enhance the comfort of both horse and rider during rides and field time.

This lotion's gentle formula is suitable for application on the horse's head, a region typically sensitive and prone to discomfort with spray products.

With an easily absorbent consistency, the lotion swiftly penetrates the skin, avoiding any sticky or greasy residue, thus ensuring the horse's comfort and the product's effectiveness.

Its appealing fragrance and caring attributes render it a must-have in every horse owner's grooming kit throughout the summer months.

### INSTRUCTIONS FOR USE

Apply a thin layer to the area where citronella scent is desired.

Avoid contact with eyes and mucous membranes.

For external use only.

### COMPOSITION

Water, Eucalyptus Oil, Lavender Oil, Preservative, Citronella Oil, Thickener.

### SHELF LIFE

36 months.
