

Product specification  
S-Monovette® CPDA, 8.8 ml, cap yellow, (LxØ): 92 x 15 mm, with paper label

### Product description

Order number	01.1610.001
Product description	S-Monovette® CPDA, preparation: CPDA stabilizer, 8.8 ml, membrane screw cap, cap yellow, colour code ISO, (LxØ) without cap: 92 x 15 mm, with paper label, label/print: yellow/black, 50 piece(s)/case, sterile

### Material and Colors

Product material	Plastic
Piston plunger material	Polystyrene (PS)

This is the current specification for this product. Sarstedt reserves the right to make changes, in full or in part, at any time without prior notification.

Membrane material	rubber
Tube material	Polypropylene (PP)
Piston material	High Density Polyethylene (HD-PE)
Closure material	High Density Polyethylene (HD-PE)
Colour of product	transparent

### Size

Sample volume	8.8 ml
Diameter	15 mm
Length excluding cap	92 mm
Length including cap	108 mm
Length including cap and plunger	129 mm

### Product characteristics

Colour code	ISO
Application	Blood collection
Type of preparation	CPDA stabilizer
Label/ Print	with paper label
Colour of print/label	yellow/black
Graduation	fill mark
Cap	membrane screw cap
Closure type	screw cap
Connection	membrane screw cap

in part, at any time without prior notification.

Type of collection                      venous

Liquid-tight                              yes

**Purity & Certification**

Veterinary Use Only                      0

Purity standard                            sterile

Satisfies the requirement                IATA, ADR

Product category                         In-vitro diagnostic (IVD)

Batched                                    yes

**Packaging**

Width of box                                134 mm

Height of box                               82 mm

Depth of box                                189 mm

Weight of case                             4.95 kg

Piece(s) / pallet                            32000

Piece(s) / inner box                        50

Piece (s) / outer case                      500

Width of case                                410 mm

Height of case                               144 mm

Depth of case                                440 mm

Case volume                                0.026 cbm

Type of smallest subpackaging            case
