

# POVIDUM SCRUB

POVIDONE-IODINE SOAP 7.5%

## ■ Description

Povidone iodine is widely used to clean skin.

## ■ Purpose

POVIDUM SCRUB can be used like a soap for external application.

## ■ Formula

The POVIDUM SCRUB formula contains povidone iodine 7.5% with a foaming base. This stable formulation is neutral on the skin and mucous membranes.

## ■ Instructions for use

External use only.

Wet the area and apply POVIDUM SCRUB. Soap for 3 minutes, ensuring the orange-brown colour does not fade away. Rinse with water then apply POVIDUM SOLUTION.

Do not use with mercury derivatives.
